16 **JUDGMENT**

17 This matter came before the Court on Plaintiff's Motion For Award of Attorneys' Fees
18 and Costs and Entry of Amended Judgment. The Court considered the motion, supporting
19 declaration, any responsive pleadings from defendants, its prior order granting the plaintiff's
20 motion for summary judgment and the files and records in this case and finds that plaintiff is
21 entitled to an award of attorneys' fees and costs and that the attorneys' fees and costs
22 requested are reasonable and were necessary for the prosecution of this action.

23 Therefore, the Court, being otherwise fully advised, ORDERS, ADJUDGES AND
24 DECREES as follows:
